Being Dominated

by MiaQc

Summary

A simple one-shot porn with no plot story. A man has paid for an experience of being dominated.

- A translation of Être Dominé by MiaQc

The man, tied up and gagged, can't help but moan as his penis is forced into a wet pussy. He has paid for an experience of being dominated and so far he loves it. He would have liked to see the woman who has authority over him but his gag hides everything. It doesn't matter in the end. His body trembles with pleasure then he feels a slap on his butts. He moans louder and hears the woman breathing heavily. He wonders if she is going to cum or not.
